

MISTIKASKAW OHIPIKIHAWASOWIN MAMAWINTOWIN SOCIETY (MOMS)

CFSIS DATA ENTRY CLERK

CHILD and FAMILY SERVICES

MOMS Society is a newly delegated First Nation Child and Family Services authority servicing the communities within the Woodland Cree First Nation. Through the Society, the Woodland Cree First Nation is embarking on a journey to reclaim and redesign how child welfare (protection, family enhancement and prevention) plus required support services are delivered to Woodland Cree members. The Society is seeking to hire a qualified data entry who is highly motivated, dedicated, and compassionate about the work they do. Experience in working with culturally appropriate service models for First Nation people is a definite asset. As the Data Entry Clerk, the incumbent must be well-versed in the Alberta child and family service information data base system. Efficiently managing a large amount of information that may be sensitive or confidential, the CFSIS Data Entry Clerk is focused on tasks and effectively organizes a large volume of data with little direct supervision. The successful candidates must uphold the vision and constitution of the Society.

Example of some duties

1. Add recordings to CFSIS database and the IM (Intake Module) on behalf of MOMS service delivery office.
2. Enter all legal documentation to CFSIS for files forwarded by Legal Counsel.
3. Prepare, sort, and identify pertinent information to be entered into database.
4. Ensure accuracy of the data that has been inputted and backup as required
5. Assist with maintaining data in the CFSIS that includes entering demographic information, developmental evaluations, parent child interaction evaluations, safety information, home visit notes, goals, caseload tracking, and funding tracking.
6. Enroll new families into the CFSIS system.
7. Enter data accurately and within funders time requirements.
8. Maintain and protect the confidentiality of the data and upholds any proprietary rights associated with hardware/software
9. Ensure that the data entry is completed for all families closing out of services.
10. Maintain data files accurately and confidentially
