Do you have a love of diverse ways of learning and are you able to teach your passions to a diverse audience? We have an exciting opportunity for you!

### **Band-operated Education**

Cadotte Lake is a quiet, rural community. It is the heartbeat of Woodland Cree First Nation and located 50 minutes from the Town of Peace River. As a newly band-operated school, we are exploring exciting ways of delivering curriculum and learning that inspires the success and well-being of all children and our staff. We believe in the power of community to protect the health of our future learning centre and are hiring hope-makers who are motivated and energized to find solutions and opportunities for learning inside and outside of our classrooms.

### **Teamwork makes the dream work...**

We will be using a team-teaching approach with our school and shared housing community where certified teachers will collaborate with community professionals to build a strong, vibrant educational space that honors the trauma and learning losses of our children in the areas of well-being, numeracy and literacy.
