

MISTIKASKAW OHIPIKIHAWASOWIN MAMAWINTOWIN SOCIETY (MOMS)

CASE MANAGER

CHILD and FAMILY SERVICES

The Society is currently seeking case managers who are highly motivated, dedicated, and compassionate individuals. The successful candidates will be assigned roles such as intake assessor, family enhancement, foster/kinship care support. Through the Society, the Woodland Cree First Nation is embarking on a journey to reclaim and redesign how child welfare (protection, family enhancement and prevention) plus required support services are delivered to Woodland Cree members. Case managers must uphold the vision and constitution of the Society through culturally sensitive, trauma informed, diversity and committed to advancing reconciliation in child welfare and support services to Woodland Cree members and other indigenous people.

Example of some duties

1. Interview children, using a variety of age-appropriate methods, to formulate case goals and plans
2. Develop working relationships with clients, from a variety of cultural backgrounds, and develop case plan to address the issues that necessitated authority involvement and work with families of children at-risk in-home setting to improve a family's level of functioning
3. Coordinate delivery of services to meet identified needs through case management, referral to community resources, advocacy and providing supportive or rehabilitative services
4. Evaluate the client's progress in the service recommendations as per the case plan and develop collaborative relationships with caregivers for the delivery of services for the child in care
5. Coordinate delivery of services to meet identified needs through case management, referral to community resources, advocacy and providing supportive or rehabilitative services
6. Evaluate the client's progress, monitor family functioning, and investigate any allegations
7. Maintain regular contact with child, parent(s), birth family, and caregiver
8. Work to transition a child to his / her parent(s) care when risk factors have been reduced
9. Complete all administrative and reporting requirements
10. Complete documentation including written service contracts, referral forms, placement forms
11. May at times be required to work in multiple or different service streams.
12. Be familiar with and provide services in compliance with relevant legislation, Provincial regulations and standards, and agency policies and procedures.
13. Collaborate with other staff, agencies, and professionals in the provision of, and advocacy for, services to children and their families.
14. Demonstrated computer skills and effective communication skills, both orally and in writing.

Experience Requirements

Education:

Bachelors' degree from an accredited college or university in social work, psychology, or other Human Services discipline. Other combinations of education and three years of child and family services experience will be considered. Knowledge and experience in applying healing approaches with children, youth, and families.

Experience:

Experience in working with culturally appropriate service models for First Nations people. Strong time management skills and ability to work under pressure. Proven ability to work as an integral member of a team and motivate others in a collaborative team environment. Excellent crisis intervention skills and experience working within an environment where skills have been used to meet expectations in responding to episodes. development capacity with First Nations; familiarity

The deadline for applications is January 14, 2022, or until a qualified applicant is recruited.:
